

LynTec AC Power Sequencing Products

A composite document of Brochures • Installation Instructions • AppNotes

Document Description	Document Part No. (last 2 numbers [-xx] = revision, .x = page)	Page
General Operators Instructions (all Sequencing Systems)		
Operator's Instructions	139-0139-xx.....	02
Wiring Diagrams and accessories for all LynTec sequencers		
Multiple Sequencer Hookup Diagram.....	139-0252-xx.2	03
Enlarged Daisy-Chain Hookup Diagram	139-0252-xx.3	04
Series - Parallel Hookup Diagram	139-0277-xx	05
Emergency Shut Down & ZipOff (PANIC) switch	139-0256-xx.1	06
SS-2 & ZOS-5K Switch Set wiring & mechanical.....	139-0256-xx.2	07
PV-110 Power Voucher Brochure... <i>Not for new designs - Discontinued 5/05</i>	139-0113-xx.....	08
PDS-10 series (Latching Relay Sequencer, 4 to 10 circuits)		
How It Works	139-0512-xx.1	9
Interior and Wiring.....	139-0512-xx.2	10
PDS-10 Mechanical Outline	139-0512-xx.3	11
PDS-10 Specifications	139-0512-xx.4.....	12
Modular Sequencing Systems — Square D panels using motorized circuit breakers		
MSLC series Sequencing Load Centers — Cabinets hold 26, 29 or 41 breakers — Sequencer/s control 12, 24, 36 or 48 motorized breakers (Replaces SLC series - See LynTec.com for Discontinued product archive). and		
MSP series Sequencing Panelboards — Cabinet holds 41 breakers — Sequencer/s control 12, 24, 36, 48 or 60 motorized breakers (Replaces SP series - See LynTec.com for Discontinued product archive).		
All Panel Brochure — How it works.....	139-0357-xx.1	13
Available Models	139-0357-xx.2	14
Load Center Main Breakers, Q Frame	139-0343-xx	15
Panelboard Main Breakers, H & J Frame	139-0394-xx	16
Series Ratings.....	139-0407-xx	17
Typical Panel schedule — others @ LynTec.com	139-0357-xx.3.....	18
Control system and Panelboard photos	139-0357-xx.4-5.....	19-20
Specifier's Guide — Part Number Selector	139-0357-xx.6	21
Motorized Breakers — Cutaway photo & model numbers.....	139-0357-xx.7	22
Modular Sequencer Specifications.....	139-0357-xx.8	23
Architect's & Engineer's Specifications — Load Centers	139-0345-xx	24
Architect's & Engineer's Specifications — Panelboards.....	139-0339-xx	25
MRTS Series — Raintight — Sequences any Square D QO panel	139-0312-xx	26
Modular Sequencer Timing diagram	139-0266-xx	27
Motorized Circuit Breakers		
Motorized Breaker Specifications & Emergency Actuation	139-0216-xx	28-30
Warranty Statement	139-0187-xx	31
Job List.....	139-0163-xx	32
Application Note Index — links to AppNotes		
AppNotes for Modular sequencing systems.....	139-0362-xx	33
