AC Power Sequencing Products

A composite document of Brochures • Installation Instructions • Applications

Document Description	Document Part No. (last 2 numbers = revision)	Page
Contents		01
General Operators Instructions (all Sequencing Systems)		
Operators Instructions	139-0139-xx	02
Wiring Diagrams and accessories for all LynTec sequencers		
MultipleSequencer Hookup Diagram	139-0190-xxf	03
Emergency Acutation of motorized circuit breakers	139-0190-xxr	04
Typical low-voltage hookup label	139-0190-xxr	04
SS-2 Switch Set wiring diagram & mechanical	139-0202-xxf	05
Emergency Shut Down & ZipOff (PANIC) switch	139-0137-xxf&r	06-07
Touch Panel Remote Control	139-0143-xx	08
PDS-8 Series (Latching Relay Sequencer, 4 to 10 circuits)		
Brochure	139-0096-xx	09-12
PDS-8 One Line power scheme	139-0234-xx	13
ECRB-12 Extended Current Relay Box	139-0235-xxr	14
(30 or 40 Amp circuits)		
SAS-10 SmartAmps Derivative	139-0142-xx	15
SLC series Sequencing Load Centers		
16, 26 or 41 circuits, 15A, 20A or 30A Motorized Circuit Breakers		
Brochure	139-0109-xx	16-19
Part Number Specifier's Guide	139-0218-01.6	20
New Modular Sequencing for Load Centers	139-0238-xx	21-22
SP series Sequencing Panelboards		
16, 26 or 41 circuits, 15A, 20A or 30A Motorized Circuit Breakers		
Brochure	139-0222-xx	23-24
Part Number Specifier's Guide	139-0218-01.4	27
New Modular Sequencing for Panelboards	139-0238-xx	21-22
Accessory Products for Sequencing Systems		
Motorized Breaker Instructions	139-0216-xx	28-29
PV-110 Power Voucher Brochure	139-0113-xx	30
AST-1 Audio Sensing Timer (auto shut down)	139-0167-xx	31
Warranty Statement.....	139-0187-xx	32
Job List	139-0163-xx	33
